

## Instruction for connecting to LHCb masterclasses video conference:

### Virtual room VC2, physical room:

**MASTERCLASSES\_2020\_VC2**

Vidyo meeting room extension: **1010004**

Direct connection (Vidyo meeting room URL):

<https://vidyoportal.cern.ch/flex.html?roomdirect.html&key=ye8a5NXdyHJM>

### From PC:

Use the Vidyo meeting room URL to connect to the Masterclasses video-conference.

Login as GUEST in the form **MC-Institute-City-Country** (e.g. MC-GenevaUni-Geneva-CH for the Geneva University).

### Instructions to connect H323 equipment:

(Ref: <http://information-technology.web.cern.ch/services/fe/howto/users-use-h323sip-client-connect-vidyo-meeting> )

You should connect to one of the CERN Vidyo gateways:

Dial in: **vidyogw06.cern.ch** (or IP address: **188.184.66.56**) or

Internet2 (Ann Arbor, MI, US): **cern-vidyo-gateway3.internet2.edu** (or IP address: **207.75.165.84**)

Once the connection is established with the gateway, dial in the Vidyo meeting room extension followed by the "#" key.
